Total War: Attila was released on Feb 17, 2015About The Game Against a darkening background of famine, disease and war, a new power is rising in the great steppes of the East. With a million horsemen at his back, the ultimate warrior king approaches, and his sights are set on Rome. The next instalment in the multi award-winning PC series that combines turn-based strategy with real-time tactics, Total War: ATTILA casts players back to 395 AD. A time of apocalyptic turmoil at the very dawn of the Dark Ages. How far will you go to survive? Will you sweep oppression from the world and carve out a barbarian or Eastern kingdom of your own? Or will you brace against the coming storm as the last remnants of the Roman Empire, in the ultimate survival-strategy challenge? The Scourge of God is coming. Your world will burn.How to Download & Install Total War: AttilaClick the Download button below and you should be redirected to UploadHaven.Wait 5 seconds and click on the blue 'download now' button. God of War was released on Jan 14, 2022About The Game His vengeance against the Gods of Olympus years behind him, Kratos now lives as a man in the realm of Norse Gods and monsters. It is in this harsh, unforgiving world that he must fight to survive... and teach his son to do the same. Kratos is a father again. As mentor and protector to Atreus, a son determined to earn his respect, he is forced to deal with and control the rage that has long defined him while out in a very dangerous world with his son. From the marble and columns of ornate Olympus to the gritty forests, mountains and caves of pre-Viking Norse lore, this is a distinctly new realm with its own pantheon of creatures, monsters and gods. With an over the shoulder camera that brings the player closer to the action than ever before, fights in God of War™ mirror the pantheon of Norse creatures Kratos will face: grand, gritty and grueling. A new main weapon and new abilities retain the defining spirit of the God of War series while presenting a vision of conflict that forges new ground in the genre. PC FEATURES High Fidelity Graphics Striking visuals enhanced on PC. Enjoy true 4K resolution, on supported devices, [MU1] with unlocked framerates for peak performance.
